

Third Term Test

Save Gaza!

There is a humanitarian catastrophe in Gaza. Before the war of October 7, about 80% of Gaza's population of over two million people relied on humanitarian aid. Now, nearly every resident urgently needs aid, children are suffering from severe malnutrition and do not “even have the energy to cry.

Arab and Muslim nations have expressed their support for the Palestinian people in Gaza since the beginning of the war. Many Muslim charities are trying to deliver essential supplies such as water, food, medicines and fuels to Gaza.

On the instructions of President of the Republic, Algeria has decided to urgently send large quantities of humanitarian aid to the Gaza Strip via the Rafah terminal. This aid consists of food and medical products, clothing and tents. This urgent aid reflects the unlimited commitment of Algeria to solidarity with the Palestinian people, who are victims of the ongoing attacks, particularly in the Gaza Strip.

Gaza needs the support of humanitarian organizations now more than ever. It is essential that every Muslim gives everything they can to help the people of Gaza.
