Subject : Me, my abilities, my interests, and my personality

Dear Rassim,

I hope this message finds you well. I would like to tell you a little bit about me, my personality, my interests, and my abilities.

My name is Walid Hammouni. I am fourteen. I am Algerian and I live in Algiers. I am a third-year student at Taha Hussein middle school. I see myself as an active and tidy boy, but my parents think that I am lazy and messy. I have three siblings. Wassim, Waniss, and Iline. I like spending time with my brothers, because they are cool and calm, unlike my sister who is noisy.

In my free time, I am fond of playing video games, but I dislike reading books. I practice bowling twice a month as well.

When it comes to my abilities, I can play the drums, but I cannot play other instruments.

To sum up, I am a kind boy who enjoys spending time with my brothers and playing the drums.

Thank you for reading my email and considering my thoughts.

Best regards,
Walid
